

Bynco Purchase Inspection

All the way from the headlights to the taillights; your new car has been thoroughly inspected by our car experts on a variety of areas. Have a look at the checklist to see what aspects your car has been checked for.

Good to know

After the purchase you are guaranteed to enjoy worry-free driving. Because each car has a 12-month BOVAG warranty. Should there be anything wrong with your car in the first 12,000 km that is not covered by the warranty? You can count on us: we will solve it for you and pay the bill. Because after all, we represent the interests of you and your car. Even after purchase. Great, isn't it?

Inspected to ensure condition:
